The Southwest Florida Safety Council, Inc. is a non-governmental, nonprofit, 501(c)3 corporation dedicated to promoting, encouraging and supporting safety in industry, at home, on the highway, and in public places. The Southwest Florida Safety Council, Inc. has been serving Southwest Florida since 1964.

Our mission statement is focused around public service. Education, public awareness programs, and activities are the components we use to promote public service. Special events, correspondence, television, and radio interviews help us reach our community.

The Southwest Florida Safety Council, Inc is always willing to provide literature and materials to companies and the community for Health and Safety fairs. We have the latest information on virtually all aspects of safety. Whether it is driving safety, bicycle safety, or occupational safety, we have free brochures, handouts and flyers.
